Now both USADB and NDBO tournaments are over with, CBAD is ready to roll our sleeves and begin dialogue with you about the terms of merging both CAAD and CBAD. The goal of merger is for us both to become one central region for years to come. We are open to options on how and where you want to begin. We would like to hear your ideas by end of this week hopefully. Be hearing from ya soon.

Hello CAAD officers,

We are ready to discuss the logistics of merger meeting. Like USADB mentioned, it is encouraged that we come together and work it out to have one organization representing players, coaches, and people of the Central region. We can either find a date and location to meet somewhere that is convenient for everybody
